

**Remarks/Arguments:**

The claims have been amended to correct minor grammatical errors and to provide correct antecedent basis for claim elements.

Specifically, claims 1, 10 and 19 have been amended to replace the wording "whether the electronic document is a structured document, an unstructured document or unformatted document" with "whether the electronic document is a structured document, an unstructured document or an unformatted document". In addition, claims 28 and 35 have been amended to provide correct antecedent basis for the element "a plurality of summary entries".

Applicant believes that this amendment does not change the scope of the claims or require any substantial amount of additional work on the part of the Office, and is thus in condition for entry. To the extent that any issues remain to be resolved, however, Applicant requests that the Examiner contact the undersigned to resolve these issues.

The Commissioner is also authorized to charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 501432, ref. 555255-005011.

Respectfully submitted,  
JONES DAY
